SPASA Awards Night

On Saturday 18th June, The SPASA Awards night were held at The Curzon Hall in Marsden Park with MC Jason Hodges from Better Homes & Gardens. A few from RME attended and shared a table with Aquaquip, Senator Pools & Nigel & Nadia. After a great meal and the award presentations, the RME staff caught up with many of the familiar faces in the Swimming Pool Industry. Congratulations to all the award winners!

We take a look at RME's Transport Manager...Troy Little

Aside from his full time job with RME as Transport Manager, Troy Little will continue to follow his passion and hobby as one of Australia's finest and proven drivers in sprint car racing this year. A force to be reckoned with and known in the Industry nationally as a top-shelf racer and contender in any division. Troy will be competing in Sydney, Melbourne, Queensland and

Western Australia and given his determination, there's no reason he won't achieve highly.

RME proudly supports Troy in his racing career and we wish him every success for the future.

Anyone wishing to support Troy can contact him on troylittle20n@hotmail.com

The Trailer

We sure do hope he doesn't drive our trucks this way

On the Job...

RME was contracted by

to excavate a pool in Kellyville where the access was as tight as 1 metre wide. We had two options:

- Excavation using 990mm wide excavators and dumpers
- Using a 5.5 ton excavator which needed to be craned over the wall.

Jade Pools decided to go with the latter as this was the cheaper and faster alternative for the Client.

We removed the dirt from the site by reversing the trucks up onto the nature strip and the 5.5 ton excavator simply loaded the vehicles over the wall.

Getting ready to be hooked up to the crane

No job is too difficult

The excavator being craned over the wall

The trucks lined up waiting to be loaded over the wall.

Congratulations.....

Rick Murray turned
on 6th May.

A very happy birthday from all the staff at RME. We hope you had a wonderful day and best wishes for the year ahead.

# TRAKMATS

When you've got to get through!

**We use and hire out trakmats.....**

Heavy duty ground protection mats prevent environmental and ground damage and also bogged down vehicles.
