EXCAVATION JOB on the Cliff

Malibu Pools contracted the services of RME to excavate the above pool. As we were unable to use a hydraulic hammer, the pool was required to be dug using only a rock grinder to save collapse of the suspended rock shelf.

Cowboy Rick takes part in the filming of a New TV Show & Film Clip

On 30th October , Rick was involved in the filming of a New TV show coming to our screens early next year. The day involved dancers, actors, singers and extra's showing off their many talents. RME attends Christmas Picnic Day

A few of the staff at RME attended the annual SPASA Christmas Picnic Day on Sunday 14th November 2010. This year it was held at Calmsley Hill City Farm (Formerly Fairfield City Farm) where you can get up close and personal to a range of native and farmyard animals. We enjoyed a great bbq and a fun day was had by all.
