VOLUME 2 ISSUE 3

SEPTEMBER 2011

**Rick Murray
visits Hawaii**

Rick Murray had the pleasure of travelling to Hawaii in September this year on a fun filled trip with a group of 20 people. With the strong aussie dollar, he managed to buy a few things but unfortunately the Dodge Ram didn't make it home.

**Complete
Temporary
Pool Fencing**

On the Job

**Out & about
with Troy at
Parramatta
Speedway**

**Ben's 1st
Birthday**

One slice is enough thanks....

As the end of year approaches..

With only 10 weeks to go until Christmas, we are busy helping Clients have their pools ready for swimming this Summer.

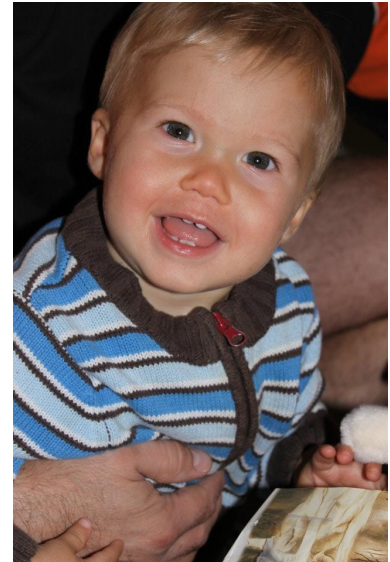

Another year almost gone...another couple hundred holes dug and all ready for the holiday season. The Christmas issue will have our closing & re-opening dates for RME as well as Complete Temporary Pool Fencing.

Book your temporary fence in early to ensure delivery to take place before Christmas...

Congratulations.....

Little Ben turns 1

Little Ben (The Son of RME's Admin Manager Lorraine) celebrated his 1st birthday on 2nd October. From all the staff at RME, we hope you had a wonderful day!

- XP Pools

Out & about with RME's Transport Manager...Troy Little

Our last issue featured Transport Manager Troy Little telling us a little about his hobby and success in sprint car racing.

Rick Murray had the opportunity to head along to Parramatta Speedway with Troy this month to see him in action. Troy came out winning in the first heat and ran the fastest lap for the night.

The Boyz..

**Sean, Jeff
Troy, Rick**

On the Job...

RME was contracted by **Aqua Leisure Pools & Spa's** to undergo the excavation for a pool located in Hunters Hill. The only access to the backyard was through the front section of the home. TrakMats were used to transport our machines through the front of the house in order to excavate the swimming pool.

Preparing for load in

TrakMats used to prevent damage

The ramps in place ready to transport the excavator into the backyard

TRAKMATS

When you've got to get through!

We use and hire out trakmats.....

Heavy duty ground protection mats prevent environmental and ground damage and also bogged down vehicles.
